2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Canyon School's mission is to foster lifelong love of learning integrating individual academic growth and achievement with artistic expression. We draw strength from our extended community rich in historic tradition, our unique natural setting, and our small size. The School provides a sanctuary for developing the talents, strengths, and confidence of each individual so that our students become resourceful adults who think and act creatively and critically in the world community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The district has affirmed that class sets, or electronic versions of textbooks are available to all students, including English learners. Books have been purchased for all core academic areas at all grade levels. Textbooks are California Department of Education-approved, and California Standards based. A public hearing is held each year and reports are made to the Governing Board to meet all requirements.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	59	50	59	50	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

CATSS (Canyon Association To Support the School), our parent organization, provides opportunities for school community members to get together socially to share ideas and concerns and to raise funds for the school. New suggestions are always welcome. Traditionally CATSS plans and organizes special events such as the Halloween Carnival and the Annual Auction, which are intended both as community building activities and as fundraisers for field trips and other special activities. CATSS maintains binders and google docs files containing detailed records of past events and supplies such as signs, props and dishes. CATSS also ensures that there is help and food available at key school events such as school plays, open houses, and graduation. CATSS meets monthly via zoom during the pandemic, but participation is welcome even if you cannot attend the meetings. Look for volunteer sign-up sheets in the school foyer or online. This year's president is Julia Tomczek, the treasurer is Gregory Stukuls and the secretary is Melanie Elms.

Canyon Education Foundation is an independent, non-profit organization dedicated to providing long-term support to sustain and enhance the programs of the Canyon Elementary School District. The foundation aims to work closely with the school board and staff and complement the activities of CATSS. The Foundation's current directors are Tera Ajioka and Angela Riemenschneider

Classroom volunteers. Each class has volunteer room parents, who work closely with the teacher to communicate with parents and coordinate their support for class activities including performances. (All families are asked to help with special activities in their child's class). Other volunteers, supervised by teachers, tutor students and help with in-class activities.

When school is operating in person, lunch and playground volunteers distribute lunch cards and provide lunchtime playground supervision. They are invited to eat lunch if they want to. They are responsible for knowing and enforcing the School's behavior guidelines (Be Safe – Be Kind – Do Your Best) as well as specific rules for student behavior at lunch (students should sit while eating, not throw food, use indoor voices and walking feet when indoors, etc.) and on the playground. They should be ready to use conflict resolution procedures in case of disputes between students. Lunch and playground volunteers work under the supervision of School staff.

2023-24 Opportunities for Parental Involvement

Snack providers bring healthy mid-morning snacks for children in each classroom. Snacks are not meant to satisfy students' hunger or spoil their appetites for lunch but only to tide them over, so small portions are definitely in order. Snacks may be left in the classrooms at the beginning of the school day; if it is necessary to put them in the refrigerator, be sure that they are labeled and that the teacher knows about them. Appropriate snacks include fruit, vegetables, bread or rice cakes, perhaps accompanied by cheese, peanut butter, or salsa. **PLEASE DO NOT BRING SWEETS OR HIGH FAT-CONTENT FOODS!** Although children often appreciate them, such snacks can lead to tooth decay, obesity, and other health problems and they may contribute to behavior problems. Schedules for snack volunteers are provided by room parents. Participation is voluntary – all families are asked to participate, but they may tell the room parent that they do not wish to. No child will be denied snack.

Field trip drivers/chaperones are usually recruited from, but not limited to, the parents of the students who are going. Drivers must have submitted required forms to the School office certifying that they have an appropriate level of car insurance, that their cars are in safe condition, and that they have seat belts for all passengers. Car assignments are made by teachers or school staff and should never be changed without their permission, because it is essential to know who is riding with whom. Drivers are provided with emergency information cards for all children in their care. Drivers and other parents who come along also serve as chaperones during the field trip. Chaperones are expected to remain attentive, model appropriate behavior, assist wherever necessary in supervising students' behavior, and follow the instructions of the teacher in charge. They should refrain from buying treats or souvenirs for their own children unless they are prepared to do the same for all students. Each chaperone should continuously monitor the children from their own car group for the duration of the field trip. [Field Trip Driver's Information Forms are included in the summer mailing]

Garden volunteers work with teachers and students in class activities, coordinate with the food services manager to provide produce for lunches, and care for the garden outside school time.

Housekeeping volunteers (including Summer Work Day volunteers) perform tasks such as moving furniture for floor cleaning, cleaning out roof gutters, spreading ground cover in the playground, dusting high shelves, and cleaning windows. Many of the tasks are suitable for children, who can take part under a parent's supervision. This is easy but necessary work, and all families are asked to participate – those who cannot attend organized summer or weekend work days should contact a staff member about completing housekeeping tasks at other times. Special events helpers (many of them for each event) take care of publicizing, setting up, catering, cleaning up, and providing thanks and acknowledgments. CATSS coordinates helpers for all special events.

2023-24 School Safety Plan

The District has developed a comprehensive safety plan, which includes procedures for responding to disasters, threats, and ongoing safety concerns. The safety plan was last reviewed and approved at the March 2023 board meeting. A copy is available for review in the school office. In accordance with the safety plan, monthly fire drills, regular earthquake drills, active shooter drill are performed. Monthly inspections are conducted on fire extinguishers, and smoke detectors. Weekly testing of wheelchair lift. Safety issues are discussed in classes and assemblies, and members of the teaching staff receive training in CPR and first aid.
